

Beware of Bicycle Theft !

～Tips to Avoid Bicycle Theft～

Lock it Up !

Always lock your bicycle, even if you're leaving it for a short time or parking it near your house!

Use Two Locks !

In addition to the built-in lock, use a wire lock or other security devices for extra protection !

Park in Designated Bike Parking Areas !

Park your bicycle in well-equipped parking facilities instead of on the street !

If Your Bicycle Gets Stolen . . .

Bring your bicycle's registration number and frame number to the nearest police box or police station !
